DUNS: **129900545** | CAGE Code: **9PU91** | UEI: **RWK9N8XC6DQ5**

---

## Core Competencies

BeBo Works specializes in delivering high-quality fencing solutions for government, commercial, residential, and agricultural projects. Our team ensures all projects are completed safely, efficiently, and to industry standards, from initial planning through final cleanup. Core capabilities include:

- **Fence Installation & Repair** – Barbed wire, high-tensile, woven wire, wood rail, chain-link, security, and custom fencing solutions.
  - **Project Documentation & Compliance** – Maintaining all required documentation, permits, and reports in accordance with federal, state, and client requirements.
  - **Staging & Mobilization** – Efficient planning, site preparation, and equipment mobilization to ensure projects start on time.
  - **Quality Execution** – Adhering to federal specifications, USDA, DOT, and other agency standards.
  - **Safety & Cleanup** – Strict compliance with OSHA safety standards and thorough site cleanup after project completion.
  - **Sustainable Practices** – Environmentally responsible disposal of waste materials and minimal disruption to surrounding land.
- 

## Differentiators

- Proven experience in federal and state fencing projects.
- Commitment to quality control and professional standards.
- Flexible team capable of handling small to large-scale fencing projects.
- Strong emphasis on safety, compliance, and customer satisfaction.
- Ability to self-perform work with minimal subcontracting.
